

## Laser Training Staff

**Dr. Rebecca de la Torre**

Dr. de la Torre is a graduate of Stanford University and the University of Texas Medical School at Houston. She is board certified in Family Medicine and is a member of the American Academy of Family Practice, Colorado Academy of Family Practice, Colorado Medical Society, and the Larimer County Medical Society. She was involved in Family Practice in Loveland for several years before focusing on skin specialties and is currently a member and Fellow of the American Society for Laser Medicine and Surgery. While practicing in Loveland, de la Torre was named Group Publishing's Best Doctor of Northern Colorado for six consecutive years. Dr. de la Torre is also a Syneron Luminary and spokesperson on the use of Syneron Lasers at conferences nationwide.

**Betty Minor, RN, Instructor**

Betty Minor, BS, RN, founded Laser Resource, Inc. in 1986. She actively consults and teaches laser safety programs for Hospitals, Surgical Centers, Laser Clinics and Medical Laser Spas across the country. She includes areas of utilization, laser audits, and laser safety evaluations to be sure the facility is in compliance with all the various regulatory agencies such as OSHA, FDA, and CDRH.

Betty was the Operating Room Director of Surgical Services at a major Denver Hospital. Formerly the Director of Education for an east coast based Laser Company. She is an active author of the ANSI Z-136.3 2005, American National Standard Institute, "For the Safe Use of Lasers in Health Care Facilities". Betty was instrumental in the development of the "Medical Laser Safety Program" as well as the "Medical Laser Safety Officer" Seminars, which is recognized throughout the country as the most informative and practical for health care laser facility.

**Yvonne Hampson, RN**

Yvonne Hampson became a Registered Nurse in England and worked as a certified Nurse Midwife for 8 years in England and Saudi Arabia prior to coming to the United States. Yvonne is a Certified Facial Laser Technician with expertise in Fotofacial, Fraxel and Thermage for skin rejuvenation and acne. Yvonne has completed advanced training in Botox and derma fillers and is certified in laser vein removal and sclerotherapy.

## Laser Training Staff

**Mina Muirhead, RN**
